The Brand

Why retailers carry VCHUKI

Premium cotton-linen menswear, made for Indian summers — honestly described, beautifully finished, priced to sell.

Honest blend

A cotton-linen blend, not pure linen — and we say so. Linen's breathability with cotton's softness and fewer wrinkles.

150–160 GSM

Medium-weight fabric, enzyme-washed and pre-shrunk for a soft hand-feel from the first wear.

Jodhpur craft

Small-batch, handcrafted by skilled artisans in Rajasthan. 47 quality checks per garment.

Built to last

Double-needle stitching at 12 SPI, natural shell buttons, clean finishing.

Branded pocket

Navy VCHUKI monogram embroidered on the chest pocket, with woven label at hem and collar.

Retail-ready

Nine styles across two silhouettes, sizes S to XXL, in a palette drawn from the Rajasthan landscape.

Signature pocket monogram

Embroidered in navy on every shirt and short kurta chest pocket.
A recognisable mark your customers will ask for by name.
Fabric composition is stated plainly on our labels, site and invoices.
