OUR STORY

Made in Jodhpur. Priced to sell.

Premium cotton-linen menswear for Indian summers — ***honestly described***, carefully finished, and easy for your customers to love.

Cotton-linen blend

Linen's breathability with cotton's softness and fewer wrinkles. Enzyme-washed and pre-shrunk for a soft hand-feel from day one.

Handcrafted in Jodhpur

Small-batch production by skilled artisans in Rajasthan, with 47 quality checks on every garment.

Built to last

Double-needle stitching at 12 SPI, natural shell buttons and clean internal finishing.

Recognisable branding

Navy VCHUKI monogram embroidered on the chest pocket, plus a woven VCHUKI label at the collar and a branded hang tag.

An honest label. Our fabric is a cotton-linen blend, not pure linen, and we say so on every label. Retailers who describe it the same way avoid returns and keep customer trust.
